

# WATCHDOG **NXT120c**

The WatchDog NXT120c is the largest unit in the WatchDog NXT line of dehumidifiers. At 120 pints per day, the powerful 120c can comfortably maintain spaces up to 21,000ft<sup>3</sup>. What makes this unit unique is its integrated HVAC quality condensate pump. This allows for a simple set up of the dehumidifier plus gives you the ability to install in areas where a gravity drain is not an option. The NXT120c also features a digital display, auto restart, and a low operating temperature. In addition, the 120c is compatible with optional accessories including WiFi monitor, remote control, and duct collar kits.
